Team Selection

The task of selecting the teams each week is something that is an incredible difficult but thought-out process for our coaches. Once in juniors, each team plays with the aim of the premiership cup, therefore we aim to ensure that our team is competitive. However our coaches also recognise abilities differ throughout players.

So when it comes to selection, teams will be selected based on attendance, effort, club behaviours and communication. We understand that all people have a life with commitments outside of football, but with adequate communication, this will be taken into account when selections are being made.

Saturday Night Presentations

Presentation is held at the club following the A Grade women's game. If they are playing a home game, then it will generally be 5.30pm. If it is an away game for the women, then presentation will generally be at 6pm. It is expected that all players attend to celebrate the games (regardless of the result) and to support their teammates as the best on ground is presented (Top 6 of the game).

Meals will be available to pre-purchase and there is an aim that they will be no more than \$15 per meal. Please keep an eye on Team App and Facebook for purchase information throughout the season.

Uniform/ Player Needs

Shorts- Our club wears black shorts with white and red stripe and the SFL logo. Generic black footy shorts can be purchased from sport stores and will also suffice but it is preferred that your child be in the club shorts.

Socks- Our club wears black socks with a red and white stripe. They are available in either short crew cut or standard long length.

Both socks and shorts are able to be purchased either from the Sportspower store in Colonnades or through the club website at https://sportspowerzq.com.au/shop/?club_g=1186342.

Guernsey- The football club will supply your child with a guernsey to wear on game days. Children do not get to keep it and it is required to be returned to team manager each week to be washed.

Boots- Football boots are available at several locations depending on the budget. These can be Kmart and Spendless Shoes or Rebel Sports and Sportspower. Please be aware that boots are not able to be worn on the oval until the club advise as it is shared with cricket and we cannot damage the turf.

Training clothing- There is no set clothing for training nights but most children wear footy shorts as well as a t-shirt, football guernsey or club training tops.

Drink bottle- please ensure that your child attends all games and training with a labelled drink bottle.

Mouth guard- Your child will need a mouth guard to train in and to play with. They will not be able to participate without a mouthguard and by having the mouthguard, it ensures that if any injury occurs to their mouth, they will be covered by the clubs insurance. These can be purchased from chemists and sports stores. Correctly fitted ones can be purchased from dentists. These are generally more expensive however may be reduced with private extras cover.

Other items such as Club jackets and Hoodies and polos are available to purchase via our online portal. This can be found via our club website. Special orders will be available throughout the season and will be notified via the club app and Facebook groups.

If your child wishes to wear skins under their shorts on game day, they will need to be skin/flesh coloured. Black is not permitted by the SFL during a match, however they are fine for training.

Club Expectations

It is expected that all players under 13 years old are accompanied by a parent/guardian during training and game day. Dropping off players to training and game day where a parent/guardian is not present is not acceptable.

Christies Beach Football Club is not a childcare drop off centre.

Christies Beach Football Club understands that all people have their own lives outside of the club and at times this may be complicated. If the registered player is part of a child custody agreement or restraining order/ domestic violence order, please ensure to provide a copy to the club (email to secretary@cbfcsaints.org) to ensure player safety. We can ensure all information will be confidential. Only the coach, team manager and club officials will have access to the information you have provided.

After listening to feedback from our community, 2024 will see us focus on recognising and rewarding our volunteers. So please if you have an hour to spare and want to give back to the club, please contact us on board@cbfcsaints.org
