Hey Saints fam,

Here we are again. All the hard work that was put in over off season has finally been put to use with the season kicking off against the Shoes at home for most of our Saturday sides.

What an exciting year this is going to be. We have a bunch of new faces coming in to push our players, bringing with them a wealth of experience, enthusiasm, and a passion to drive high performances. We have awesome new merchandise and the players looked great all attending in their polos. And were working on some great ideas for social events to bring everyone together off the field.

Just a side note that this year is a big one for the club. Not only is it the 60 year anniversary of entering the SFL. But we also get to celebrate the anniversary of both the 1974 and 1994 premierships.

The next few weeks will see the rest of our sides kick off their season, including our girls sides, the minis sides, our I-league boys and the reintroduction of a C grade side and a Sunday 13 boys side.

As we gear up for the rest of the season, I ask that all support the game behaving as a true Saints demonstrating our GRIP values - greatness, respect, inclusiveness, and professionalism, both on and off the field.

Wear our colours with pride and let's make this a season to remember.

To our players; go out there and enjoy your football. Try your hardest, have respect for all and show true sportsmanship. The wins will come.

Lets Go Beaches!

**Advice to younger players:** Opportunity finds you.

Hey Christies Members, Sponsors, and Supporters, Firstly, I would like to take this opportunity to thank the Christies Beach Football Club community for welcoming me into the herd. I've been impressed by the loyalty and dedication shown by all in and around the club. The senior men's players have been working hard since November, training 3 nights a week; working on fitness, skills, and a new game plan. We are all confident that the success we're striving for in 2024 is just around the corner.

So now for our Round 1 match day report.

In round 1 we hosted Noarlunga at home and were unable to get the job done.

We kicked into the breeze in the first quarter and Noarlunga took advantage of this with some clean ball handling and direct forward movement, taking a 5-goal lead into the break. The second quarter saw us find some groove as we moved the ball quickly at times, providing opportunities forward however we were unable to capitalise on this with scoreboard pressure. The third quarter saw a repeat on the first with Noarlunga making the most of their opportunities kicking 6-goals, whilst we were able to kick 2. The final quarter saw us make some positional changes to try to generate more opportunities in our forward half, but Noarlunga proved to be very defensive and held strong against our ball movement.

I can't fault the boy's effort. We lost the game by 7 goals after giving NFC the 5-goal lead and lost Harrison Butcher to concussion early. But we were able to hold last year's grand finalist scoreless in the second quarter and found that when we execute our game plan, that we can play some quick football and put the opposition under pressure, we just need to work to maintain this for longer periods.

Great effort B Grade and U15's for their wins against Noarlunga. We're looking forward to playing Hallett Cove next and hope you can all get along and support the boys as we look to get our season off with a win.

See you all on the track!

Brian

Round 1 of the under-13 boys football saw Christies Beach and Noarlunga lock horns in what can only be described as a fiercely contested opener. The match kicked off with Christies Beach quickly finding their feet, as Harley Bodger broke through to score an early goal that had the Christie's crowd buzzing. However, Noarlunga soon quelled their jitters, responding with two rapid-fire goals thanks to some slick ball movement that turned the tide.

The first quarter was a clear indicator of the intense battle that was to unfold. The second quarter saw Christies step up, with Ozi and Zayle at the helm. This dynamic duo was instrumental, contributing three goals between them which gave Christies a 13-point lead at halftime. Ozi netted two while Zayle added another against his former team, showcasing their skill and competitive spirit.

Noarlunga wasn't down for long, though. They roared back in the third quarter, putting three goals on the board and restricting Christies to just one. Their big men were pivotal, elevating the team's performance when it mattered most.

The final quarter was nothing short of a thriller. Both teams threw everything they had into the fray. With Ozi orchestrating the play in the midfield, Christies tried valiantly to stem the Noarlunga tide. The clashes were intense, with bodies clashing in a relentless display of tough football. Ultimately, it was Noarlunga's composure under pressure that clinched a hard-fought victory.

If this opening round is anything to go by, fans are in for an exhilarating season featuring high-quality football. Christies Beach, though they didn't emerge victorious, left nothing on the field. Under the guidance of Craig Bodger, Steve Baldwin and Corey Allen, there's plenty of room for growth and improvement. The Christies faithful have much to look forward to as the season progresses. Keep an eye on this team Saints supporters—exciting times lie ahead.
